Preliminary Assessment & Product Recommendation

Introduction & Overview

This document is a record of our product recommendation(s) to you. You are entitled to receive a further preliminary assessment whenever we provide you with any additional product information. This product recommendation is prepared solely for the use of the people to whom it is addressed and listed as the borrowers in the personal information section of this document.

We do not accept any liability whatsoever for any third party relying on any information contained within the document.

The document includes:

- o Our product recommendation
- o The basis on which the recommendation is given
- o All fees, commissions, interests or associations that might influence the recommendation.

We have relied on the information you have provided to us

In preparing this product recommendation we have relied on the information that you have given to us. We take no responsibility for this recommendation if the information provided by you is incorrect,

incomplete or inaccurate.

If you believe that any aspect of your situation has been overlooked or is not correctly represented, it is your responsibility to bring it to our attention before acting on our recommendations.

This recommendation may only be considered to be current as at the time of production. The nature of the recommendation can be altered should interest rates and fees change at any point after the production of this document.

Once you have selected an appropriate product, an application will be submitted to a lending institution. The lending institution will provide you a loan agreement or contract, which will detail all the terms and conditions associated with the product that you have selected.

No taxation advice of information

This product recommendation does not constitute or contain taxation advice.

Whilst every effort has been made to include relevant taxation considerations, the adviser with whom you have dealt is not a licensed taxation agent.

Any taxation considerations contained in this document are intended as a guide only. If you require taxation advice we strongly recommend that you seek independent taxation advice from a licensed taxation agent.

Personal Information

Below is a summary of the financial and employment status of each applicant as disclosed to us.

Funding position Worksheet

Maseh Barakzai Pure Capital Finance Pty Ltd Friday, January 11, 2019

Preliminary Assessment & Product Recommendation

Product Recommendation

Reasoning behind the recommendation

This recommendation has been developed taking into account:

- Your personal & financial profile

- Your requirements and objectives in your needs analysis responses

Product recommendation

Based on the information you have provided to us in our needs analysis questionnaire, we have selected the following product as being suitable for your requirements.

Credit Provider Pepper (Asset Finance)

Product Name Chattel Mortgage

Interest Rate 11%

In some instances, there may be an ongoing account fee. If applicable, this will be disclosed to you in the final amount of fees and charges within the credit contract which will be issued by the lender.

Based upon the information you have supplied to us during the course of the interview and in your needs analysis responses, this information will be provided to the lender or originator to source a loan which is appropriate to your needs and objectives.
